

BAINBRIDGE TOWNSHIP MAILBOX REPLACEMENT POLICY

In the event that the Township receives any requests for mailbox replacement due to snow plowing damage, the Township, in its sole discretion, shall determine whether the Township equipment actually hit the mailbox, or damage was caused by the force of the snow off the plow. The Township will not repair or replace mailboxes or posts damaged by the force of the plowed snow.

In the event that repair or replacement is determined necessary by the Township, it shall be limited to a standard metal mailbox and 4" x 4" post. No plastic boxes will be replaced with plastic.

Any plastic or "designer" or "decorative" type mailbox shall be the responsibility of the homeowner/resident to replace.

In the event that a resident replaces a damaged mailbox that the Township acknowledges was hit by a Township snowplow, the reimbursement shall not exceed either actual costs or fifty dollars (\$50.00) whichever is less. The resident shall be responsible for demonstrating the cost of replacement to the Township.

Adopted March 16, 2009
