

Dog Park update  
June 7, 2019

The Centerville Mills Dog Park will be re-opening June 8, 2019. We appreciate your patience and thank you for your support.

Please feel free to contact our office should you have any questions.

The township is selling commemorative bricks to place in the walking path to the dog park. A dog park brick purchase form can be picked up at our office or found on the township website-under parks.
