

## **BAINBRIDGE TOWNSHIP PARK COMMITTEE MINUTES**

Wednesday, April 27, 2016

Meeting called to order at 7:00 P.M.

Members Present: Tora Consolo, Dave Mitchell, Mitch Fakadej, Marty Sfiligoj,  
Guests: Paula & Scott Huling.

### **PUBLIC COMMENTS:**

Mrs. Huling stated that the motion light on the maintenance barn at CVM, had been going off and on randomly for the last few months and it was very distracting. It has stopped recently, but she wanted to make sure someone was aware of the situation. Dave Mitchell stated that he was aware of the problem but that there was a lot going on and that it would be fixed eventually.

Mrs. Hurling also asked about the wood permits. Would they still be allowed to clear fallen limbs/trees from the CVM Park. Dave Mitchell stated that that was no longer an option.

Mrs. Hurling also wanted to confirm that it was permissible to walk through the park from dawn to dusk without trespassing. Her concern stemmed from the fact that the Western Reserve Land Conservancy controls the perimeter of CVM. Dave Mitchell and Mitch Sfiligoj assured her that there is no problem walking in the park
