## NOTICE

### CANYON LAKE RESIDENTS

Posted June 16, 2020

We are pleased to inform you that we will soon be starting a road improvement project in your neighborhood. This will involve the repair and resurfacing of Flintlock Ridge Road and Canyon Lake Drive. This project is scheduled to begin in July and will consist of the following 6 major steps:

- 1) Surface and full depth repairs where identified
- 2) Drainage improvements and installation of new curb on Canyon Lakes Drive
- 3) Single chip seal on existing surface
- 4) Pave intermediate course
- 5) Pave surface course
- 6) Install berm material

Traffic will be controlled the duration of the project and residents may experience delays based on the day to day operations at hand.

A county engineer inspector will be on site and can be utilized to address questions you may have. You are also welcome to contact me at my office with any questions or concerns on this project.

Sincerely,

James S. Stanek  
Service Director  
440-543-9874 ext. 6302
