TOWN HALL – NEW BUSINESS

208 Plan Change Request

Mr. Nick Sirk was in attendance and requested a 208 Plan sewer extension for his newly purchased home on Savage Road. The trustees discussed the extension, then they denied his request at this time. They indicated that this is 5-acre parcel and the new owner doesn't know if the septic system is problematic, and if it is, whether there are topographic issues that would otherwise prevent the repair or replacement of the septic system. The trustees reiterated Geauga County's preference for septic systems and water wells, where viable, which is foundational for large lot zoning and a rural to semi-rural way of life. Mr. Sirk indicated that his reason for this request was based on his preference for a sewer vs septic system.

Dog Park Income/Expenses Update

The donations collected to date for the Dog Park total \$6,355.00, which has exceeded all expectations. There was discussion amongst the trustees on setting a budget for the completion of the project.
