Town Hall Renovation Discussion

The trustees discussed their vision for the renovations to the first floor and the basement of town hall with the architect, the IT company, and the design team. It was determined that the project will be in phases, with Phase I being the town hall meeting room. There will be another meeting set for later in the month to discuss plans and a potential start date. All parties will submit initial proposals to the trustees at that time.

Mrs. O'Brien left the meeting at 7:20 P.M.

Zoning Department – Scanner Purchase

Mrs. Benza made a motion to approve the purchase order to Meritech for the purchase of a KIP 720 color scanner with maintenance fee in the amount of \$7,865.00 per the recommendation of the zoning director.

Mr. Markley seconded the motion which was passed unanimously.

Since there was no further business to come before this special meeting of the Bainbridge Township Board of Trustees, the meeting was adjourned at 7:43 P.M.

Respectfully Submitted,
