October 2, 2013

Present: Ted Seliga; Bill Takacs; Rob Arnold; Greg Marous, Road Department; Jeff Markley, Township Trustee and Linda Zimmerman, Secretary

Guest: Clinton Arnold

Mr. Takacs, Chairman called the regular meeting to order at 3:41 P.M. at the Town Hall.

MINUTES

The minutes of the September 4, 2013 meeting were approved as written.

OLD BUSINESS

Indigent Definition

The board acknowledged that the Ohio Township Association created model language for the definition of indigent and was in agreement to review and compare the existing township language to the new ORC definition that was effective on September 29, 2013.

NEW BUSINESS

Footers

Mr. Marous reported that the footers are completed for the Pfouts monuments along with the footer for the bench at Heritage Park.

Scattering Gardens

The board discussed the new concept of scattering gardens and if they are considered cemeteries. It was noted that a church in Bainbridge has had a scattering garden for the past two years and churches and cemeteries are conditional uses within township zoning.

OTHER BUSINESS

The board discussed the proposed dirt storage building and the drainage system at Restland Cemetery and noted that these are pending items.

Mr. Marous reported that he has not obtained a purchase order for the cemetery markers yet.

The board discussed the maintenance at Restland Cemetery regarding bees, weeds, grass cutting and gasoline spill by the landscapers.

P.M. Since there was no further business before the board, the meeting was adjourned at 4:50

Respectfully submitted,

Linda L. Zimmerman
Secretary to Cemetery Board
