Meeting called to order at 7:06 P.M. at Lakeside Building at CVM

Members Present: Chairman Marty Sfiligoj, Tobe Schulman, Becky Obradovic, Hillary Henry

Service Department Representatives: Tab Gordon

Guests: Roger Weiss & Sunny, Rosie, Cleo

### **PUBLIC COMMENTS:**

- Roger Weiss commented: Dog Park attendance continues to be high

### **MINUTES APPROVAL:**

- Marty Sfiligoj made a motion to approve the September 26, 2018 minutes seconded by Tobe Schulman

### **OLD BUSINESS:**

- Dog Park discussion:
- Parks Committee discussed the following recommendation *again* for the Service Department and Trustees that was sent but received no response except for an estimate from Tab Gordon:
- Cut back the bench count to four more new benches:
  - *More benches are needed in the Dog Park. We recommend four more three person benches to be placed in the large dog area. The two person benches can then be moved into the small dog area. We are requesting an estimate on materials (received from Tab \$56 per bench) and labor from the service department for the additional six benches. Any donations of \$250 for each bench would include a plaque. The specs on the plaques need to be worked out to fit the desired spot on the benches. We are requesting from Jeff Markley or Jim Stanek for any recommendations for local plaque suppliers. The Parks Committee does not anticipate this plaque project being completed in 2018.*
- Discussed the final version of the questionnaire that was sent to the Trustees for approval and release 9-27-18 but *have not received a reply*.

### **NEW BUSINESS:**

- Some drainage repair needed 20 ft off the pad at the Dog Park entrance
- Water to be shut off 10-25-18 at Dog Park
- Two benches were stained by the Parks staff
- Picnic table to be put away

### **PARKS REPORT:**

- Tab reported there was a power outage at Settlers
- Next year the walking path at River Road will be re-done
- Deck on the Dining Hall to be replaced
