

Thank you for your continued support!

We are excited to continue our mission of serving your residents and small businesses through NOPEC's electric and natural gas aggregation programs.

Over the next couple of weeks, eligible residents and small businesses in your community will be receiving enrollment letters for NOPEC's electric and/or gas aggregations.

We anticipate that your residents may have questions. Included is a list of dates and times for virtual and in-person informational presentations where these questions can be addressed. Additional materials such as FAQs and newsletter, website, and social media copy for your community to use are also available at nopec.org/CommunityToolkit.

We've also included in this mailing a list of important 2023 deadlines and dates and contact information for your NOPEC support team.

As a member driven organization, we value your input and will continue to listen to our communities to strengthen our partnership for the future.

-Your Friends at NOPEC
