Geauga County

As part of a planned infrastructure improvement project, the Geauga County Engineer's Office will be replacing the Pettibone Road bridge spanning the Aurora Branch of the Chagrin River. This project will require the closure of Pettibone Road and is expected to last approximately 133 days, from Friday, May 22, 2026 through Friday, October 2, 2026. Detour routes will be posted, and traffic will be maintained accordingly.

For additional information, please contact the Geauga County Engineer's Office at (440) 279-1800.
